

# GLENHAVEN GAZETTE

Spring 2026

---

Dear Glenhaven Neighbors,

We're thrilled to announce the launch of our brand-new Glenhaven HOA website! This modern, user-friendly platform **makes it** easier than ever to stay connected, access important information, and participate in our community. Designed with you in mind, the site centralizes everything from board updates to event calendars and resident resources — all in one secure, searchable spot.

## Key New Features:

- **Online Architectural Control Committee (ACC) Submissions**  
Submit exterior modification requests digitally with our secure form, upload plans/photos/materials, all online.
- **Newsletter Archive & Subscription**  
Read past issues, sign up for email updates, and never miss community news, maintenance reminders, or upcoming events.
- **Online Dues Payments**  
Securely submit payment for dues starting in 2027 with our new online payment processing feature.

Explore the site and let us know what you think — we welcome your feedback to keep improving! Thank you for helping make Glenhaven a beautiful, welcoming place to call home. Stay tuned **for** more updates in future newsletters.

Warm regards,  
The Glenhaven HOA Board
